Activities

April was a busy month for us in NRCH filled with baking, bingo, arts, crafts, and music to name but a few of our activities. The highlight of the month was our trip to the Arboretum in Loughlinbridge on 27th April 2017. On arrival we treated ourselves to a delicious lunch and then we strolled through the sensory garden for the afternoon. The day was thoroughly enjoyed by us all.

We also were entertained by some wonderful musicians. Live music is one of the most enjoyed activities. Thanks to Paddy Donovan & his Dancing Wooden Doll and thanks to Cumas.
